

DELIVERY

We offer FREE delivery on boxes of our Provisions throughout Lincolnshire & the East Riding of Yorkshire, to your home or office. If within 5 miles of our Farm (or because we are passing your way) we deliver personally: further afield we use 'Ideal Lincs' refrigerated vans.

Please e-mail (brian@rectoryreserve.co.uk) or phone (01507 534071) with your selection, including contact and address details. We will check availability and advise when you may expect receipt before confirming the order. Payment must be made, on delivery, by cheque (made out to Rectory Reserve Ltd.). This will be collected by the driver.

Please let us know if you would like to replace one or more items in our 'Selection Suggestions' with alternatives (e.g. Curly sausages instead of Premium). Depending on the changes we may need to adjust the price of the Box. We will always be pleased to quote for your own personal choices and, on receiving your instructions, to deliver them accordingly.

The following are available for delivery as whole or half hams, both on or off the bone (quantities & sizes are limited):

Two year old, air-dried 'Holy Day Ham'

Home Dry Cured Plain Ham

Dry Cured & Honey Glazed Ham

Dry Cured & Black Peppered Ham

We also can supply $\frac{1}{4}$ or $\frac{1}{2}$ or the whole of one of our Rare Breed animals butchered to your requirements. Please ask for today's availability and price.
